In the State of Arizona.)	

1. I, **SCOTT WASSERMAN, M.D.**, am the holder of License No. **23328** to practice medicine in the State of Arizona.

2. I hereby request that, effective at 12:01 on the date of the following order, the Arizona Board of Medical Examiners (the "Board") place my medical license number **23328** on inactive with cause status because I have previously been under a Stipulated Rehabilitation Agreement for substance abuse that terminated on June 15, 1997, and I have relapsed with the use of chemical substances. A.R.S. §32-1452(F). On July 26, 2002, I informed Dr. Michael A. Sucher that I had relapsed and am currently in the Sierra Tucson Treatment Facility.

3. I agree not to practice medicine in the State of Arizona or any other state, territory or district of the United States or a foreign country while my Arizona license is in Inactive Status. I understand that I may not hold or maintain a controlled substance certificate with the Drug Enforcement Administration or write or refill prescriptions as long as my license is classified as inactive. I understand that if I practice medicine while my license is in Inactive Status, I will be considered to be practicing medicine without a license or without being exempt from licensure, which is a felony.

4. Prior to my license being placed on Inactive Status, I agree that I shall have paid all fees required by the Medical Practice Act, A.R.S. §32-1401 et seq.

5. I agree that I shall not request reactivation of my license to practice medicine in the State of Arizona until I meet with the Board at a regularly scheduled meeting of the Board, and comply with all requests of the Board, which may include, but not limited to, long-term inpatient treatment, psychiatric and psychometric evaluation, physical examination and testing, and written and/or oral competency examinations. I understand that the Board will not reactivate my license until I present evidence satisfactory to the Board, in its sole discretion, that I am medically competent and mentally and physically able to safely practice medicine.

DATED this 11th day of August, 2002.

SCOTT WASSERMAN, M.D.
